Resources Catalogue

Servants of the Lord Ministries (SOLM) was founded in 1979 by Pastor Joseph Hedgecock as a teaching and training ministry sent to the body of Christ. The ministry's aim is to help believers who really have a heart after God. The Lord explained the purpose of the ministry to Pastor Hedgecock in the following commission:

"I have children in every nation, and you have brothers and sisters, whose hearts are crying out to Me. They have sought Me for ministry, blessings, and gifts. I have given them those things and it has blessed them but there is a part of their spirit that it never fulfilled that is reserved for an intimate relationship with Me. Now their hearts are crying out to Me, just for Me. That is who I am sending you to, because I don't want them to take the years it took you to get to Me, because there was no-one to show you how at the time."

In keeping with the commission, the resources in this catalogue have been produced to help those who have a heart after God.

WAKE UP! TIME IS RUNNING OUT (BOOK)

Have you struggled spiritually for many years? Are you frustrated because you long for intimacy with your heavenly Father and Jesus as your Lord? Do you believe that being in constant communion with God is an unreachable goal? Do you desire to finish the race God has set for you but question your ability to do so? It is time to wake up from your spiritual slumber because time is running out!

WAKE UP! TIME IS RUNNING OUT is the first book of the series, *Foundations for Spiritual Maturity*. Volume 1 provides simple, detailed instructions about how to identify spiritual hindrances and the steps needed to eliminate them from your life. It gives practical directions about how to move into God's presence and have a loving, fulfilling relationship with Him. Not only will you begin to recognize how much God loves you, you will also enjoy fellowship with Him as He reveals His purposes for your life. Your perspective about conviction and repentance will change.

This book will help you in areas where you have believed lies and false doctrines. These lies neutralize the simple faith you need to have for a solid spiritual foundation. A variety of topics are covered including God's immeasurable love, laying foundations, how to become spiritual, true repentance, and how to receive wisdom and knowledge from God. It includes many practical applications that can be put in place immediately. If you have been unable to hear the Lord's voice consistently, you will find that you are quickly able to hear Him as you apply the truths found in this book. You will receive revelation that will help you overcome the issues that have hindered you for years.

THE KINGDOM OF GOD NOW (BOOK)

As Christians, we have heard many things about the Kingdom of God. In the book of Revelation, John gives us insight into God's kingdom, and he describes the city of God (the new Jerusalem) in great detail.

In the gospels and the epistles, we are told about God's kingdom being set up as a literal government on earth for a thousand years (the millennial reign). Jesus Christ, along with His bride, will rule over the earth during this time. After the millennial reign, our Father will appear with the new Jerusalem. He will destroy the heavens and the earth and create new heavens and a new earth. We as Christians will spend eternity with our Father and our Lord Jesus Christ in the kingdom of God.

But what about now? This book will show you how to live in the kingdom of God now. It will explain in detail how you can get into God's kingdom and stay in God's kingdom. Part of your inheritance is not available until later, but many of God's promises are available now. You can start enjoying what God has provided for you now!

HOW LOVE GROWS (BOOKLET)

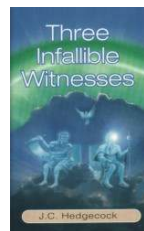

All Christians know that God loves, but the Bible says that He is love! There is a great difference between "loving" and "being love". Christians are capable of loving to some degree, but we all have our limitations. God, who is love, has no limitations. God has sown the seed of love into each one of His children's hearts. This booklet is written to show you how to make that seed grow. *How Love Grows* is like a step-by-step guide taking you through the process that will bring you to an abundance of love. It's your heritage. Don't let anyone steal it from you.

THREE INFALLIBLE WITNESSES (BOOKLET)

When Joseph Hedgecock was learning to be sensitive to the Lord's voice, one of the obstacles he faced was how to test every thought to see if it was from God or not. 2 Corinthians 13:1 says that "in the mouth of two or three witnesses, shall every word be established". If these witnesses were men, how could Joseph be sure they were right? When Joseph cried out to God with this problem, God clearly said that the Son, the Holy Spirit, and the Father can be the three infallible witnesses. This booklet will show how you too can test and know that God is the one speaking.

TEACHING & TRAINING

Through seminars, conferences, church meetings and training weekends, SOLM continues to share the practical steps and principles that will help those with a heart after God. As a teaching ministry, SOLM also aims to lay a foundation in the body of Christ through the example of the leadership-team in churches, ministries, organisations and Christian businesses.

To achieve this, the ministry has three recognisable levels of training.

- Friends of SOLM: Those who are not called to do the work of the ministry but want to assist us in practical ways of administration, prayer and financial support. The ministry requires those who call themselves friends of SOLM to walk consistently in the basic foundational teaching of the ministry.
- Trainees: An opportunity exists for those who have walked as a friend of SOLM and achieved some basic correspondence training to be part of the ministry. They must be called and recognise a calling to work in the ministry. The prerequisites stated in the SOLM training guide must be completed before starting the training.
- The Apostolic Team: Those who have the ability to teach and train others in the work of the ministry. They are examples of what they teach and are anointed in many areas. They have proven themselves in ministry, in their own family-life and in business. They are able to hear, trust and obey the Lord consistently.
